

## Frequently Asked Questions: Advanced Energy Research

Below you'll find some of the most frequently asked questions from citizens, businesses and agency and non-profit partners (Updated 4/8/09)

**Q. Who is eligible for this recovery fund program and what can this money be used for?**

**A.** At this time CTED is waiting for program guidance from the Department of Energy. CTED intends to review the program guidance and assumes that appropriate entities in Washington can apply. CTED will identify potential applicants, notify them of the funding opportunity and attempt to convene a coalition of eligible recipients to work with to develop a strategy to acquire some of the funding. The objective of this funding is "to jump start advanced energy technologies by funding high-risk, high-payoff research in collaboration with industry. The expected public benefit is the development of new technologies in Washington state which could create additional green economy jobs.

**Q. How much money is available?**

**A.** The expected state funding amount is unknown at this time.

**Q. I still have questions. Who do I contact to get more information?**

**A.** Your CTED Contact is Terry Lawhead at [terryl@cted.wa.gov](mailto:terryl@cted.wa.gov) or call (509) 777-1500
